

# Intern Satisfaction Survey 2022

DFN  
Project | SEARCH  
Changing  
Lives Together

For the first time we asked interns to share their experiences before, during and after the programme.

They reported massive improvement in all 10 areas, which covered wellbeing, interpersonal and work skills.

All figures below show change in high and very high responses before and after the programme.

# 99%

of interns thought the programme was useful

## Happiness

## Self-Esteem

## Independence

## Communication Skills

## Keep Myself Safe

## Ability to Manage Change

## Time Management Skills

## Ability to Manage Pressure

## Organisational Skills

## Problem Solving Skills

They also said the best things about the programme were:

- ✓ Rotations
- ✓ Learning new skills
- ✓ Making friends / socialising
- ✓ Support received
- ✓ Working
- ✓ Training (safeguarding, CV writing, interviews)

“ I think it is such an amazing programme for someone to help them to get ready for the world of work and to develop their job-ready skills whilst being supported. ”
