Dear Paul and Gwyn

Invitation to the AIRTO Annual Dinner 2018: Stationers' Hall, London on 27 June

Guest Speaker: The Rt Hon. Lord David Willetts, Executive Chair, Resolution Foundation

On behalf of the Board of AIRTO, we would like to invite you both as our guests to the AIRTO Annual Dinner on the 27 June 2018.

The AIRTO Annual Dinner is the premiere event in the AIRTO calendar and is a formal black tie occasion. For the 2018 event, chief executives and senior decision makers from businesses in the Innovation, Research and Technology sector and their invited guests will gather for a reception and dinner. This will be followed by a speech from our Guest Speaker the Rt Hon. Lord David Willetts, Executive Chair, Resolution Foundation, who will share his perspective about the keys to the successful growth of innovation in the UK.

For the first time we will be introducing **AIRTO Special Recognition Awards** at the Annual Dinner. These awards are intended to recognise a handful of people who have made an exceptional contribution to the UK's Innovation, Research & Technology sector. I am delighted to let you know that we would like to recognise PHE's exceptional work in advancement of equality, diversity and inclusion in the sector for your work with Project SEARCH to help young people with learning difficulties and autism gain meaningful employment. We would like you to accept an **award at the event for promoting Equality, Diversity & Inclusion**. I do hope you will be able to attend to receive this award, and will be willing to say a few words about the work you have been doing.

The dinner will be held at Stationers' Hall, Ave Maria Lane, London EC4M 7DD. The dress code is black tie and decorations.

Please find attached a reply form for completion and RSVP by 31 May 2018.

Yours sincerely,

Dr. Jane Gate
Executive Director, AIRTO
